

BALLOON & AIRSHIP FEDERATION OF SOUTH AFRICA

15th February 2022

Dear Pilot

It has come to the attention of BAFSA that you may be flying balloons without a fully compliant pilots licence.

It remains a requirement of the Civil Aviation Regulations (CAR) that all balloon pilots are members of the applicable Aviation Recreation Organisation (ARO), ie BAFSA.

You are required to renew your Aero Club of South Africa and BAFSA membership by 1st January each year.

The consequences of not having a fully compliant licence could result in invalidation of insurance policy's.

We will be requesting balloon operating companies to frequently check their pilots compliance.

Kindly assist accordingly.

BAFSA COMMITTEE 2021/2

Richard Bovell
Chairman

cc: H Fourie : BAFSA
M Evers : BAFSA
F Steyn : BAFSA
